REV. CARPENTER HONORED.

Rev. Homer Carpenter, pastor of the Shelbyville Christian church, and who married Miss Tevis Carpenter, daughter of Dr. and Mrs. J. G. Carpenter, of this city, has just been highly and signally honored by being chosen Chancellor of Transylvania University, College of the Bible and Hamilton College at Lexington, and has tendered his resignation as pastor at Shelbyville to take effect the first of September. Mr. Carpenter's election was made several weeks ago by the combined boards of the three institutions and a committee was sent to notify him of their action. He took the matter under consideration, being at first loath to

give up pastoral work, and it was not until a second committee visited him and urged his acceptance of the position that he gave them a favorable answer. The position is a new one just created by the boards of the three institutions, which are now combined under one head, and the work will be similar to that done by President Crossfield. The place was made necessary by the great increase in the institutions, Transylvania alone having five hundred students. It is the leading college of the denomination in the South.

FAMILY AVOIDS SERIOUS SICKNESS

By Being Constantly Supplied With **Thedford's Black-Draught.**

McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble."

Ten years ago a friend told me to try Thedford's Black-Draught, which I did and I found it to be the best family medicine for young and old.

I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried.

We never have a long spell of sickness in our family, since we commenced using Black-Draught.

Thedford's Black-Draught is purely vegetable, and has been found to regulate weak stomach, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms.

It has been in constant use for more than 70 years, and has benefited more than a million people.

Your druggist sells and recommends Black-Draught. Price only 25c. Get a package to-day.

Even "the cohesive power of plunder" does not seem sufficient to hold together the Republican party when the hope of loaves and fishes is subordinated to the new spirit of a broad Americanism.
